

NEXT DINNERS AT MURRAY'S

LIGURIA - LE MARCHE - SOUTHERN ITALY

Our next few dinners will see us take in some wonderful foods from both land and sea in Northern Italian regions Le Marche and Liguria followed by some beautiful sun kissed produce from Southern Italy.

FRIDAY APRIL 22nd

Liguria Dinner

Some typical foods -

Rabbit, fish, lamb, basil, olive oils, cheese.

Squeezed into a narrow arc between the Apennines and the Tyrrhenian sea, Liguria is a stunning region with a reputation as one of the most hard working and one that has become adept at maximising the potential of their sloped, hilly landscape.

FRIDAY MAY 6th

Le Marche Dinner

Some typical foods -

Fish stews, pork, beef, boar, pastas and game.

With its coastline on the Adriatic, the people of Le Marche make the most of the fruits of the sea on offer, but with a backdrop of rural countryside there is plenty of meat and game to hand as well.
