Italian Wine selection

We have spent 20 years talking with and visiting the vineyards of Italy. We deal with smaller, independent and less commercialised producers who's history in perfecting wine lies in the land their grapes grow on.

At the start of January 2021, we will be releasing our next set of Giro d'Italia wines. A set 3 or 6 bottles from the Puglia and Campania regions. For more information, please sign up to our mailing list or email us your enquiry.
